

**IET Excellence and Innovation Awards  
Judging Criteria 2024**

<b>Category</b>	<b>Judging Criteria</b>
<b>Net Zero and Climate Action</b>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
<b>Sustainability</b>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>

<p><b>Power and Energy</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
<p><b>Health Technology</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
<p><b>Future Cities and Smart Technology</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>

<p><b>Communications and IT</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
<p><b>Emerging Technology of the Year</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>

<p><b>AI and Robotics</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
<p><b>Technology for Social Impact</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
<p><b>Young Pioneer of the Year (People's choice)</b></p> <p><b>For applicants between 18–25-years-old.</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in this field?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the claims made by the applicants?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>

<p><b>Chief Engineer of the Year</b></p>	<p><b>Question 1</b></p> <p>Does the submission demonstrate excellence/ innovation in the field of engineering?</p> <p><b>Question 2</b></p> <p>Does the submission demonstrate that the applicant has shown leadership in the workplace?</p> <p><b>Question 3</b></p> <p>Does the submission demonstrate that the applicant has inspired/ mentored other engineers?</p> <p><b>Question 4</b></p> <p>Does the submission demonstrate that the applicant has championed equality, diversity, and inclusion in engineering?</p>
<p><b>Rising star of the Year Award</b></p> <p><b>For applicants between 18–40-years-old.</b></p>	<p><b>Question 1</b></p> <p>Does the submission demonstrate excellence/ innovation in the field of engineering?</p> <p><b>Question 2</b></p> <p>Does the submission demonstrate that the applicant has shown leadership in the workplace?</p> <p><b>Question 3</b></p> <p>Does the submission demonstrate that the applicant has inspired/ mentored other engineers?</p> <p><b>Question 4</b></p> <p>Does the submission demonstrate that the applicant has championed equality, diversity, and inclusion in engineering?</p>
<p><b>International Award (Submissions outside UK and Europe)</b></p>	<p><b>Question 1</b></p> <p>Does the product/ service/ innovation contribute to the body of knowledge in the field related to the category?</p> <p><b>Question 2</b></p> <p>Is the technology/ process explained in the submission relevant to the problem/ area they trying to solve?</p> <p><b>Question 3</b></p> <p>Is there strong evidence to support the tangible and intangible benefits claimed?</p> <p><b>Question 4</b></p> <p>Does the submission represent a novel approach or an improvement of an existing product or service?</p>
